AKASH THINA. R

Akash Thina, a recent B.Sc graduate and an academic rank holder, is a dynamic individual with a passion for innovation. As a fresher, I has consistently demonstrated a commitment to excellence, not only through my academic achievements but also by actively participating in inter-college events to hone my skills. With a keen interest in cutting-edge developments and a proactive approach to learning, I am dedicated to making a significant impact in chosen field . My ability to adapt and innovate make a promising talent poised for success.
